

Determining Low-Income for Your Center

Buell Foundation uses the percentage of families served who have low incomes as a factor in determine grant funding. We define low-income thresholds by county below based on multipliers of the Federal Poverty Level. Multiplier amounts are informed by the self-sufficiency standard for each county.

Buell Foundation Low-Income Threshold	Annual Income			
	Family of 2 (FPL = \$22,888)	Family of 3 (FPL = 28,788)	Family of 4 (FPL = 34,688)	Family of 5 (FPL = 40,588)
265% FPL	\$60,653	\$76,288	\$91,923	\$107,558
285% FPL	\$65,230	\$82,046	\$98,861	\$115,676
300% FPL	\$68,664	\$86,364	\$104,064	\$121,764

Please locate your county in the list below to determine the appropriate criteria for your center.

Tier 1 - 300% FPL	Tier 2 - 285% FPL	Tier 3 - 265% FPL
